PLANNING AN EVENT
Call the Classic Fare Catering Office at 352.392.3463 or visit our office to place your order. This brochure was developed to assist in planning events and contains some of the most popular items for student events. Our catering manager can help you plan any type of event from start to finish. If you have a particular request, just ask & we will be happy to develop custom menus for any occasion.

ORDERING INFORMATION
We request that all pick-up orders be arranged at least three business days in advance of the requested pick up time. When planning large or complex gatherings—or events with wait staff, additional time is requested. Payment may be made by cash, check, credit cards, or blue slip.

HELPFUL HINTS FOR PARTY PLANNING

FOOD QUANTITIES
The time of day and purpose of the occasion will influence the quantity of food you will need. If you are serving light snacks or refreshments during or near meal times, you will typically need a larger quantity than between meal periods. The quantities planned for per person events are average size portions. We can help you determine the appropriate amounts for your group.

PICK-UPS
The most economical way to host a party is to pick up the food and set it up yourself. Orders can be picked up at our catering kitchen. We can help you with transport and loading — i.e., loading a cart, etc. If you will need assistance, it’s helpful to ask at the time the order is placed.

EQUIPMENT AND LOCATION
All orders are packed in disposable containers and do not include service ware. Service ware is available at an additional charge. Linen is not included but disposable table covers can be purchased from us. Standard University procedures should be followed when reserving rooms by calling the building’s scheduling office.
