WHAT IS UF ALL ACCESS?
UF All Access is a digital textbook program that has saved UF students $5 million since it began in 2013.

Once you opt-in to the program, you’ll receive your course materials digitally at a discount before the first day of class so you can be prepared on day one.

The digital textbooks come with study tools, including search, highlighting, and note taking. And, because all the materials have been hand-selected by your instructor, you know that you’ll use them in your course.

DO I HAVE A PRINT OPTION?
Yes. If you purchase UF All Access, you can choose the optional print upgrade at a discount.
