2 Link Your Cengage and LMS Accounts

If you already have a Cengage account, log in now. New to Cengage? Click "Create Student Account" and register. We recommend using your school email.

To verify your account, open the 'Welcome to Cengage' email you just received and click 'Activate Cengage Account' to set your password and complete the registration process. Be sure to use the same device and browser to create and verify your account.

*You might already have a Cengage account if you've used MindTap, CNowv2, OWLv2, SAM, WebAssign or another Cengage platform in a different course.

Linking your accounts is a one-time process. If you've previously completed this step for another course, you won't be prompted to do it again.
